#### Q 6 - Were you satisfied with the overall facilities offered by the Base?

1. Possible soft closers on the doors so they do not bang when closing.
2. We found the cooker to be a bit on the slow side I think this maybe because the bottom of some the pans were domed and not making good contact with the heat possibly. Please do not take this as a complaint as it is far from that, we were very pleased with the facilities and is meant as constructive feedback
3. When we arrived the fridge was very dirty and contained milk that was 3 months out of date.
4. Oven was a bit small (couldn't fit the deep trays in) Kitchen cupboard by was sagging & needed a bracket
5. I recognise that MSB is a "working" Scout Hall, however in an ideal world it would be nice to have more leader accommodation. Perhaps a full width screen that can be pulled across the end 3rd of the hall
6. The kitchen is fairly well equipped, but the cupboards are very high and rather dangerously filled with heavy crockery - not easy to access if not tall and/or fit. The constantly dripping tap is very annoying and very water wasteful! Some cafetieres would be a helpful addition for those who wish to make 'proper coffee' Otherwise the base is very warm and cosy and a very good venue. Thank you
7. More pots and pans and some better chef's knives for the kitchen.
8. Stop the tap dripping!
